5th February 2021

Dear Parents,

Due to the NSW COVID19 restrictions on social distancing, we are required to modify our arrangements for the Year 12 Retreat.

After consultation with our Year 12 students, the College has elected to run a three-day retreat, in which students will stay at the designated venue for ONE night only. This situation is not preferable, but ensures compliance with the current COVID-19 advice being stipulated by NSW Health.

Our Retreat is an integral part of the Senior experience for Xavier students, and we have worked hard to maintain the integrity of the program whilst complying with Government regulations. It is the expectation that Year 12 attend all three days of the program. We thank our Year 12 students and parents for their patience with the changing nature of the retreat.
